Deborah Kass, LCSW &
Kelly Reams, MSW

All programs are located at the ART
1515 SW Morrison • (503) 241-1278 • www.artistsrep.org

Post-play discussions are facilitated by an OPC Member following the listed Sunday matinee. These talks are open to the public and participants may attend any performance prior to the discussion.

Our mission is to further the understanding of psychoanalytic ideas through the rich and evocative media of theater, music, dance, and the visual arts. Community collaborations provide a “place” for conversations about any and all facets of the human condition as expressed through the arts.

For more information about each play visit
